

BUSINESS INSTITUTE

Presents:

“Brain Health” Keys to Successful Aging

The African American Chamber of Commerce of Western PA is partnering with the University of Pittsburgh Alzheimer Disease Research Center to present the first of four interactive workshops related to Dementia/Alzheimer's disease. Learn how this pressing public health issue could impact you and your business. Leading experts in the field will discuss signs and symptoms, resources available and the advancements in treatment.

Jeannette E. South-Paul, MD
Andrew W. Mathieson UPMC Professor and Chair
Department of Family Medicine
University of Pittsburgh School of Medicine
will lead the session.

Wednesday, September 11, 2019
