

Dementia Friendly Design: Creating Inclusive Environments

A Dementia Friendly Webinar

Thursday, April 11 | 10 - 11:30 AM ET

Presenters:

Melissa DeStout, AIA, Associate Principal, Perkins Eastman
Hannah Marion, NCIDQ, Interior Designer, Perkins Eastman

What You'll Learn:

- How people living with dementia experience challenges when navigating physical spaces
- How homes, public spaces, and care settings can support someone living with dementia
- How lighting, furniture, and other design aspects can promote independence and inclusivity
